

Dear Supporter of Children's Hospital Foundation,

We are pleased to announce our 19th Anniversary of the "Virginia Dance Festival" benefiting the Children's Hospital Foundation of Richmond. To date we have raised \$214,500. This years performances will be at James River High School.

Over 40, pre-professional dance groups will be giving freely of their time and their talents on February 24th, 2018 in 2 shows at 2:00 and 7:00 p.m. This is a showcase and an educational experience for everyone to enjoy seeing many cultural styles of dance. Some of the styles include Irish, Chinese, Classical Indian, Latin, Mexican, Modern, Ballet and more. Tickets are \$18.00 for adults and \$15.00 for children ages 3 -11.

Our Silent Auction which is going on also, would give your business an opportunity to display items or gift certificates in support of the foundation. All those in attendance would see your business listed in the program as a business donor. **We will gladly pick up any item that you would like to donate.** We appreciate your interests in helping to provide medical care to children.

Sincerely,

Jessica Morgan
Founder/Chairman
804-363-9680
